

## BOROUGH OF SOUTH PLAINFIELD

2480 Plainfield Avenue  
South Plainfield, NJ 07080  
908-754-9000

Dear Resident:

August 2018

South Plainfield is required to clean 20% of the sanitary sewer lines each year in accordance with new Department of Environmental Protection Agency standards. The next two months these cleanings will be occurring in the north sections of town.

Please click the link to see the map of the area affected.

Currently cleanings are taking place in and around the Kennedy School district. These cleanings are expected to continue for a few weeks before proceeding to the Riley School area. Attached is a map indicating the affected areas.

Residents are advised to keep toilet lids down while cleaning occurs in the unlikely event of a backsplash. This work is being done as a required preventative measure to avoid sewer backups.

Sincerely,

Glenn F. Cullen  
Administrator
