Business Association Hosts Networking Event at History Center in Highland Woods Nature Reserve

South Plainfield Business Association (SPBA) is hosting a networking event to help launch the second book on the history of South Plainfield entitled, "South Plainfield in the 20th Century," on Tuesday, Sept. 19 at 6 p.m.

The book is co-authored by Dr. Richard Veit and South Plainfield Historical Society President Dorothy Miele. Dr. Veit's first book, "South Plainfield," was published in 2002.

All are invited to attend this

event courtesy of the SPBA.

Dr. Veit, a lifelong resident and expert on South Plainfield history, and Miele will be on hand to present a short talk about the new book. A book signing will follow.

The SPBA has graciously offered to donate the new book to the 40 attendees. Refreshments will served.

This event will give visitors an opportunity to see the vast amount of historical artifacts, including photos, costumes,

books and newspapers located at the center. You will be surprised at the amount of items the members of the historical society has amassed.

The South Plainfield Historical Society History Center is located in the Highland Woods Nature Reserve at 115 Sylvania Place, just off of South Clinton Avenue.
